

## **Zoological and botanical gardens of the City of Pilsen and DinoPark**

The ZOO complex boasts plenty of superlatives... and the greatest rarities at the Zoo include Komodo dragons, the most powerful lizards in the world.

On the Lüftnerka farm you can witness the lifestyle of the late 19th century.

All necessary information about the zoological and botanical garden can be found at [www.zooplzen.cz](http://www.zooplzen.cz) , while details about DinoPark are at [www.dinopark.cz](http://www.dinopark.cz)

For groups, educational programs are available at the ZOO. Please see the ZOO website under "Schools and the public"
